FOUNDATION
OF NORTH GEORGIA

**Charitable Gifts
from your IRA or other Retirement Plan:**

All IRAs, 401Ks and other retirement plans have beneficiary pages. Because leaving these plans to children can result in a large percentage going to taxes, you may want to consider naming the parish endowment fund as a beneficiary of your retirement plan. It will be a charitable gift so no taxes are due on the gift. You can even leave just a percentage of the retirement plan to the parish endowment fund.

For information about changing your beneficiaries on retirement plans contact:
Diane Duquette at the Catholic Foundation of North Georgia:

Know more about the Missionaries of the Poor
and their work in Kingston, Jamaica:

Father Richard Ho Lung was associate pastor of St. Thomas Aquinas Church in Papine, Jamaica, when he ventured into the depressed community of Mona Commons and listened and shared the struggles of the people. Father Ho Lung encountered a fundamental problem: the absence or lack of family life and a sense of community. Thus, when the "Brothers of the Poor" was founded in 1981, one of the main objectives was to build family and community among the poor and disadvantaged.

These objectives were to be pursued in two ways: first, by building a community of men--religious brothers and priests--who would live in community, share all things in common, follow a common spirituality and charism with a common ministry of service to the least in society; second, by bringing together the poor (especially the destitute homeless) as a family and forging community relationships with the wider society.

Initially consisting of only four members, the Brothers of the Poor were approved by the bishop of Kingston, Jamaica and the name changed to the "Missionaries of the Poor". The brothers began their work in a government-run house for the homeless destitute and aged, where they succeeded in opening the consciousness of the public to the needs and struggles of the poor. They continued their work with prisoners, where they helped to bring to light the need for rehabilitation among prisoners, not mere isolation. The community thus began with two successful projects in its early years.

Since its founding, the Missionaries of the Poor have received both papal and episcopal approval for their work and constitutions. Today, the order has over 550 brothers serving in nine missions around the world.

Today's Gospel Reflection

Read Sunday's gospel, John 3:14-21.

Reflection for Families

It is not hard for parents to understand how much God loves his people. No matter how many times we have to discipline, guide, and correct our children, our love never diminishes. We know that our efforts and energy are shaping them into the best people they can be. We only need to show them the light of God's way and walk with them in that light.

Bringing the Gospel Into Your Family

Think of someone your family knows who might be experiencing a time of darkness—a time when it might be hard for them to understand that God really loves them. Think together of a way your family can reach out to that person by sending a card, making a phone call, or sharing friendship with them.

Discussion Starters

- I remember facing a dark time in my life. The person who was there to show me the light was...
- There was no doubt in my mind of God's love for me when...
- I was light for someone in darkness once when I...
