Creating Your Catholic Legacy

THE CATHOLIC FOUNDATION
 OF NORTH GEORGIA

You can create an endowment fund to honor or to remember a loved one or someone very special in your life and name the parish as the beneficiary. This will be a personal named endowment that will go on forever.

It only takes \$5,000 to start a fund. When the fund reaches \$25,000, distributions will be made to the parish annually. This is a wonderful way to remember your loved ones, receive a tax deduction, and benefit the parish now and forever.

For details contact: Diane Duquette, Director of Gift Planning for the Catholic Foundation of North Georgia: dduquette@cfnga.org or 404-497-9440. More estate planning ideas are available at www.cfngalegacy.org .

*The daily news reminds us of the violence and instability plaguing the Middle East, but we rarely hear of the shrinking Christian community there, a community that struggles to remain in the land of Christ's birth, death and resurrection. Please help support our brothers and sisters in the Holy Land next Sunday by giving to the Palm Sunday Collection. This Pontifical Collection allows the Franciscans and others to continue caring for Christianity's holiest sites and for God's people in the Holy Land.
Please be generous in your support.*

Las noticias diarias nos recuerdan de la violencia y la inestabilidad que atormenta al Medio Oriente, pero nosotros raramente escuchamos de la disminuyente comunidad Cristiana que se encuentra allá, una comunidad que lucha por permanecer en la tierra del nacimiento, muerte y resurrección de Cristo. El domingo entrante por favor ayude a nuestros hermanos y hermanas en la Tierra Santa haciendo una donación a la colecta del Domingo de Ramos. Esta colecta pontifical permite que los Franciscanos y otros continúen trabajando por los cristianos en los lugares más Santos y por el pueblo de Dios en la Tierra Santa. Por favor sea generoso con su ayuda.

Today's Gospel Reflection

Read Sunday's gospel, John 12:20-33.

Reflection for Families

One of the most valuable lessons we can teach our children is how to let go, because no matter how much we want things to remain the same, we know that change is a constant part of living. We can heal ourselves and help our children at the same time when we make a conscious effort to find the "silver lining" in every dark cloud. Only when we show our children that something good came from something that at first seems completely awful, will they understand that something must die before something new can grow. Many expressions such as silver linings and closing doors followed by opening windows, explain this concept; but nothing gives it meaning like the examples from our own lives.

Bringing the Gospel into Your Family

Perhaps someone in your family or someone your family knows donated an organ when they died. This is a beautiful opportunity to help youngsters and adults alike find the good from something that was at first hard to accept. If your family is not familiar with organ donation, this might be a good time to learn how members might make provisions to donate their own organs.

Discussion Starters

- When people have no hope, they cannot see that the death of a seed brings about new life. One time I felt hopeless about something, but looking back on it, I see new life when...
- Someone who has always shown me how seeds grow in my life is... He/she has shown me by...
- I clearly saw new life growing from something that died when...
