You want to help others but are concerned about cash for your future?

A gift of assets can be made through your Will or other estate plans and will not affect your cash flow now. You can leave assets to The Catholic Foundation of North Georgia to benefit the parish endowment fund.

The Foundation handles the liquidation of the assets so there is no work for the parish and then the money goes into the Endowment Fund, enabling the parish to expand our faith ministries.

For more information about making gifts of assets contact: Diane Duquette at The Catholic Foundation of North Georgia: dduquette@cfnga.org or 404-497-9440. A wealth of estate planning information is available at www.cfngalegacy.org

St. Thomas the Apostle
Annual Lenten Food Drive

"The poor possess a joy that is pure and highly contagious, for it doesn't come from material comfort and prosperity but from the very gift of being alive each day."
Fr. Richard Ho Lung MOP Founder and Superior

For **Week 4** of our
Annual Lenten Food Drive (March 17-18)
please bring the following food items:

Rice: Largest bags possible.
Peanut Butter: Plastic containers ONLY.
No glass.

This week our story is slightly different. This essay is from the Missionaries of the Poor web site www.missionariesofthepoor.org and gives the official history of the founding of the Missionaries of the Poor.

Father Richard Ho Lung was associate pastor of St. Thomas Aquinas Church in Papine, Jamaica, when he ventured into the depressed community of Mona Commons and listened and shared the struggles of the people. Father Ho Lung encountered a fundamental problem: the absence or lack of family life and a sense of community. Thus, when the "Brothers of the Poor" was founded in 1981, one of the main objectives was to build family and community among the poor and disadvantaged.

These objectives were to be pursued in two ways: first, by building a community of men--religious brothers and priests--who would live in community, share all things in common, follow a common spirituality and charisma with a common ministry of service to the least in society; second, by bringing together the poor (especially the destitute homeless) as a family and forging community relationships with the wider society.

Initially consisting of only four members, the Brothers of the Poor were approved by the bishop of Kingston, Jamaica and the name changed to the "Missionaries of the Poor". The brothers began their work in a government-run house for the homeless destitute and aged, where they succeeded in opening the consciousness of the public to the needs and struggles of the poor. They continued their work with prisoners, where they helped to bring to light the need for rehabilitation among prisoners, not mere isolation. The community thus began with two successful projects in its early years.

Since its founding, the Missionaries of the Poor have received both papal and episcopal approval for their work and constitutions. Today, the order has over 550 brothers serving in nine missions around the world.

Today's Gospel Reflection

Read Sunday's gospel, John 2:13-25.

Reflection for Families

How many times have we seen our children use objects for purposes other than what they were intended? On garbage day a skateboard might become wheels for a trash can, or a baseball bat might be used as a wood splitter, and a fishing pole used to retrieve a ball from the gutters. It stifles creativity to insist that items be used for the purpose they were intended, but it does ensure that they will last to do the job they were made for. In a sense, this is what Jesus meant for the people to do in today's gospel. The Temple was God's house and that's the purpose for which it was to be used. It was not a marketplace or a bank. To see it used as such, brought out the passionate devotion Jesus had for his Father's house. And with all he had, Jesus wanted to protect it.

Bringing the Gospel Into Your Family

Try to think of places where you know injustices occur. Consider how these areas are similar to the experience Jesus had walking into the Temple and seeing it misused. What steps can you as a family take to correct the misuses you thought of? How might forcefulness help remedy the situation?

Discussion Starters

- I know how Jesus felt because I can remember a time when someone didn't respect something of mine when...
- If I think of my life as a temple, I must admit that like a marketplace, I let in distractions. Some of them include...
- During this Lenten season one thing I will do to show my zeal for the House of God is...
