

Mission Statement

The goal of the St. Thomas the Apostle Preschool is to offer a loving environment that will enable each child to grow spiritually, emotionally, socially, intellectually and physically. Through the guidance of our teachers and staff, the children will learn about respecting themselves and others, sharing, listening and experiencing God's love. Our program is designed to build on the child's learning and experiences at home as well as to expose them to group situations. We welcome all children regardless of their national origin, race or religion.

CLASS INFORMATION

Placement is determined by child's age as of September 1 and Director's discretion.

Our Preschool offers a weekday program that operates between the hours of 9:00 a.m. and 1:00 p.m.

St. Thomas the Apostle Preschool teachers are required to participate in continuing education and faith formation workshops to keep them in stride with today's educational and spiritual practices.

The number of children enrolled in each class is based on the age of the children and the facility space.

The children are challenged to learn through hands-on activities in the classroom that encourage them to play, explore, imagine and create at their developmental level.

Our enrichment programs include Religion where the preschoolers can experience Jesus' love in their every day lives, Spanish (basic) and in-house guest to present programs on various themes for the pre-school children.
